Dear authors,

Greetings of the day!!!

We are pleased to inform you that your manuscript "Smart Text Recognition System Using Hybrid CNN-Transformer Architecture" submitted to ASSIC 2026 at KIIT University, India is accepted for publication in IEEE Xplore proceedings (Scopus & Web of Science).

ASSIC 2026, IEEE conference, is scheduled to be held during 8th - 10th August, 2026 in Hybrid(offline/online) mode.

=====

Reviewer suggestions:

Overall similarity rate of the paper should be less than 10% (excluding references and bibliography). There must not be any AI generated plagiarism in the final camera ready paper. Papers with AI plagiarism will be rejected & authors will be blacklisted by IEEE. The paper must strictly follow the IEEE conference template. A proper in-depth English grammar check of the paper is needed to avoid any grammatical errors. All figures/tables must have clarity. All figures/tables must be labeled, numbered, called out and explained in the paper. Authors must avoid using any unethical means to reduce plagiarism. Using tortured words/phrases will lead to retraction of the paper form IEEE. After updating, only the corresponding author of the paper will upload all the documents in the below google form by March 25, 2026 positively without fail.

<https://forms.gle/zHVx2yPiJFf2h63v5>

Authors are advised to check the AI Plagiarism using a registered Plagiarism Tool like Turnitin. Online open source plagiarism tools must be avoided as the uploaded documents in those sites are not removed from their databases.

ASSIC 2026 paper registration webpage: <https://assic.info/registration.php>

After authors registration & google form submission, all registered authors will be contacted for the copyright right transfer & pdf express conversion process.

Note: In case of any issues, please feel to contact us through Email: assic.conf@gmail.com or Mob: +91-7751995740

Please do not reply to this email as it was generated from an email account that is not monitored.
